

## EDUCATION

IT Engineer student, Specialized in Software Engineering, Fifth year, Damascus university

## SKILL HIGHLIGHTS

Laravel framework

PHP

Redis

SQL

MySQL

SQL Server

Java

Three.js

HTML & CSS

Java Script

Swagger

Version Control

SDLC

Design Patterns

Solid Principles

## LANGUAGES

Arabic

English

# ABDULRHMAN ABOUKALAM.

BACK-END DEVELOPER

## SUMMARY

Fifth-year IT engineering student with extensive backend development experience and a diverse skill set in programming languages, web development, and databases. Proficient in software development principles, actively contributing to projects.
